ORDER DENYING ALL PENDING MOTIONS AS MOOT DUE TO SETTLEMENT

Before the Court is the parties' Status Report (D.E. # 69), filed on August 20, 2012. In their Status Report, the parties indicate that they "have reached a resolution whereby [Plaintiff's] claims are resolved by agreement without prejudice to the putative class." The parties anticipate filing a stipulation of dismissal in accordance with Local Rule 83.13 by September 15, 2012. Because the parties have reached an agreement, and all parties to the case signed the Status Report indicating as such, the Court interprets the Status Report as a Notice of Settlement. Accordingly, all pending motions in this matter are **DENIED** as moot.

IT IS SO ORDERED.
